

WAYNE SKYHAWK 4-H ROCKETRY CLUB

TRENDS — Riverdale, N.J., Wednesday, May 10, 1972 — Section 11 C

WOW!!— All eyes follow the rocket after its launch. Some 30 or 40 youngsters and parents shot off rockets both large and small. From left are

Tom Wolfe, John Bilecki and George Wagner with William Heatley maining the starter.

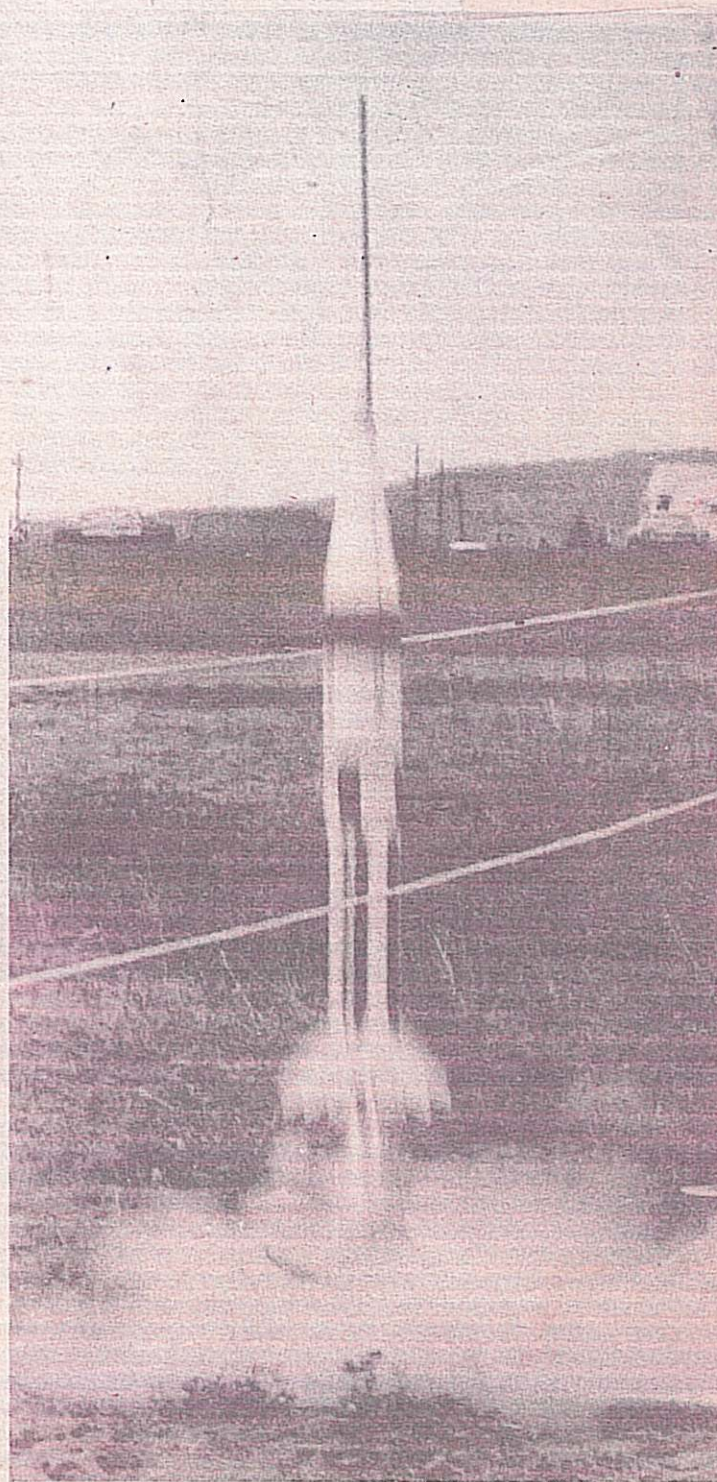

(Trends— Guy Hall)

LAUNCH DATE SUNDAY MAY 7, 1972

4-H ROCKETRY CLUB - MAY 1972

John Bulecki and George Wagner with
Ken Montanye maintaining the starter.
(Trends: Guy Ball)

BLAST-OFF — The largest rocket of the group was met with some disbelief of flying capability but minutes later, it took off with all the glory of its size. The projectile belongs to Ken Montanye-Skyhawk president.
